<b>July Meetings</b>	<b>7</b>
<b>Calendar</b>	<b>8</b>

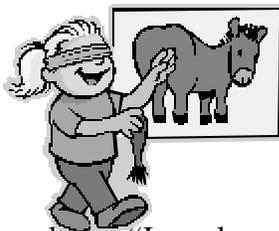

It's early July and we would normally have newsletters out long ago, but last month and this month have been unusual. First we spent several days in Oklahoma at the International Charismatic Bible Minister's Conference at Oral Roberts University. We were blessed with some very encouraging preaching as well as some teaching. One particular message stands out above the rest as pertinent and helpful and that was Dr. I. V. Hilliard's message about "Generational Poverty". We recommend you contact Richard Roberts and get a copy of this message for yourself. We believe it will help you and your families overcome many areas that may manifest in chronic problems. Whether you have sickness, lack, demonic issues, character weaknesses, or other reoccurring problems, the answers given in this message were life changing for us.

The adversary surely didn't want us to return from our trip to Oklahoma as the attack was on the Suburban. Jeff is still researching the problem, but believes it lies in the timing chain. God has everything in his hands and we are confident that whatever it is, we will both have the time and help to get it done. For now we're giving "Shaynee" a rest and driving "Morty", our little SUV. He's small, but he gets super gas mileage. We're just stubborn enough to do whatever it takes to get the will of God done.

We have again met more of your in the body that we didn't know before and are really being blessed. We met a couple prophets during our trip to New Mexico in late June and early July. To be able to see the foundation God wants being put together so that it can be put back under the household of faith is awesome. We're told that foundation is the apostles and the prophets. Our natural picture is men built on men, but in the word we have the Torah and the Prophets. So when we see God bringing prophets being taken out of their hiding places and put together with the apostle, we get excited. Next we expect to see more evangelists coming out as well as true loving pastors and then the gift of teacher will manifest amongst them all! How exciting it is for us and how exciting it should be for you who are reading this.

God has "moeds" or appointed times. We know that time is short and that God shortened it so that our adversary couldn't destroy all flesh (his goal). One thing that was taught at ICBM is that the devil has a "time limit" and he's fighting against it every day! We on the other hand are eternal creatures and we work in time, but aren't limited to time!

**The Devil Isn't a Jackass**

Guard your hearts folks, for we're told that out of our hearts come the issues of life. I've heard myself say "I can learn from a jackass", but I have to admit that I was off in one aspect of my understanding. The devil has his seed around spreading things that are contrary to the word. The devil isn't warning us

for our protection like Balaam's jackass tried to warn him. The devil is looking for folks he can kill, steal or destroy. There is a lot of teaching that runs contrary to the word these days, and we want to exhort you to weigh **everything** you hear against the **infallible** word of God and don't get out beyond the word.

Ex 24:4 *And Moses wrote all the words of the LORD, and rose up early in the morning, and builded an altar under the hill, and twelve pillars, according to the twelve tribes of Israel.* KJV

We're being told that we need to study "oral Torah" that men wrote down, because the Torah and the prophets aren't enough. We're hearing that we need to study commentaries by men who hated Y'shua to get a "better" understanding of the word. Does that even make sense? Y'shua/Jesus was the word made flesh and he spoke only what the Father spoke and did only what the Father did. If you study the words of our Lord, you will notice that they all lined up with the first five books of the bible and the prophets. He **never** spoke things that were out beyond the word of God.

Y'shua himself warned men not to study the "traditions of the elders" as gospel. He said men who followed them ended up breaking the commandments of God. Sure, they are full of information and pretty tasty, but eat the fat long enough and it will kill you. Mark 7:13 *Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye.* KJV

God intended for us to hear His voice and obey His voice. He never intended for us to be stuck listening to mediators and "go betweens". He wanted every single individual to hear His voice and have a personal relationship with Him. He had faith that we could individually and corporately hear and worship Him. The only reason He set leaders over us was for order, not for oppression. Our "oral Torah" today is the Holy Spirit. The whole plan of God was to get His Spirit back into man so that we could defeat the works of the devil. Knowing that the traditions of men make the word of God of no effect, we should run to the word and away from traditions!

1 John 2:27 *But the anointing which ye have received of him abideth in you (the Holy Spirit), and ye need not that any man teach you: but as the same anointing teacheth you of all things, and is truth, and*

*is no lie, and even as it hath taught you, ye shall abide in him.*

God will no longer wink at men who use His name to fleece sheep. If a shepherd takes really good care of his sheep, they will gladly come to him to have him shear them. If the one over the sheep is really a hireling or a wolf in sheep's clothing he will fleece the sheep and take their very skin and leave them bleeding and dying.

Just because someone tells you they "preach the gospel" doesn't mean they're telling the truth. Weigh their words. Do they line up with the bible? Are they preaching "some other gospel"? That's why it's so vital you spend time in the word. That's why it's so vital you be filled with the Holy Spirit. You need to be able to recognize the devil when he's playing his little games. There isn't time for you to spend watching TV all day and night. There isn't time for you to be involved in amusements (which by the way means "without the mind"). The devil is out there and he's disguised as many things, but beware because he isn't a jackass.

## MY HOUSE

Isa. 56: 7, Isa. 56: 7, Matt. 21: 13, Mark 11: 17, Luke 19: 46

The body of Christ in any city is not a building down on 2<sup>nd</sup> St. though some members "in" the body of Christ may meet there. Some other members of the body of Christ may meet over on 40<sup>th</sup> St. I believe we, for the most part, have received that revelation but are we, the body of Christ, walking in that revelation? The local Church isn't that place people go on Sunday! We, the body, are the believers living in the city that fill those places and we are everywhere!

On the average a city in America with a population of 100,000 will have from 250 to 300 buildings called churches. We who occupy those buildings are in every city, in every state, and in every

country in the world. Why aren't we seeing a greater impact? Why don't righteous men and women control these cities? Let's look at a natural picture that might help us understand. There aren't 250 city halls in one city. There is only one Mayor, and there is only one City Counsel with one city manager. It seems in the natural the world understands divine order better than the local Church.

Just as it is in our personal lives, it is possible for the body of Christ in our cities to be so aligned with God's Word that The Holy Spirit actually displaces the powers of darkness over our cities. To the same measure the local church is joined to God; The Lord's presence guards that city. We know the reason the anointing on Aaron was so thick and plentiful was because of the **unity of the brethren**, they were truly dwelling together where anything they had was everyone's. Nothing meant more to them than this anointing from God, which caused the love of the brethren. (We can't have one without the other), we see this same thing in Acts 4:31-37.

**Now the entire world has access to God through faith in what Jesus accomplished!**

There is only one Spirit; there is only one faith; so to come together by that Spirit in that faith should not be that difficult. Are there so few that have found The One True Spirit by that one faith? Jesus said "where only two or three were gathered together in His Name He would be in their midst."

I believe the beginning of our answer is in *Psalm 127:1; Except the Lord build the house, they labor in vain that build it: except the Lord keep the city, the watchman wakes in vain.* The Word says something very interesting in *1 Kings 6:7; "The house, when it was in the building, was built out of stone that was made ready before it was brought forth: so that there was neither hammer nor axe nor any tool of iron heard in the house, while it was in the building."* Not one stone was placed on the foundation until it was perfected "outside". All these things were given to us as natural examples so we can see Spiritual truths. We tend to love to stay in the natural or "learning" stage rather than going on into the "being" stage. We like it out where the noises of the tools are. What are these noisy tools? The Word of The One True God...that's what shapes us and makes us, but it is us who must take it and apply the Word to our natural

lives. When we truly apply His Word in this manner it will bring our definitions of Christianity back to the biblical simplicity, purity and devotion to Christ and Him alone (II Cor.11: 3) While this is happening the axe is laid at the root of selfish ambition and jealousy (James 3:16) and will help us become unified which is our goal.

All over the globe The Lord is choosing and placing people; men and women, and they are being fitly joined together by Him into a living temple. With great passion and deep humility these men and women have a single-hearted goal, and that is to see Christ Himself formed in "the Church" or more aptly "the called out ones". (Gal.4: 19) The beauty in this is that when they begin to do so they are laying the foundation for the house of The Lord. Prayer, prayer and more prayer, these people are side by side and layer upon layer, the foundation and The House of Prayer the prophets and The Lord Himself prophesied; Isaiah 56: 7, Isaiah 56: 7, Matt. 21: 13, Mark 11: 17, Luke 19: 46. "*My House shall be called a house of prayer*". We are that house. It is Him that is The Master Builder. When we choose to die to EVERYTHING "outside", it is then He can use us in the building of the house.

The work of birthing Christ in us is done "outside", then when nothing else is as important to you and I, we can say as Paul did in *Philippians 3: 8 "Yea doubtless, I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things,*

*and do count them but dung, that I may win Christ, and be found in him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness that is of God by faith:"*

*2 Cor. 4:17-5:2 For our light affliction, which is but for a moment, works for us a far more exceeding and eternal weight of glory; while we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal. AND....*

*2 Cor. 5:1 For we know that if our earthly house of this tabernacle were dissolved, we have a building*

of God, an house not made with hands, eternal in the heavens. For in this we groan, earnestly desiring to be clothed upon with our house, which is from heaven". We must begin to see what is invisible and believe that it is more real than what we can see. That's faith! That is the Church Jesus is building. The power of God is God's power! We have the vessels He needs to use His power on this earth; Paul called it our earthly house. We must offer them as living sacrifices for His use.

Now I am going to jump way out here and speak something that needs to become revelation to all of us like it was to Paul. There has been great grace given to me to preach the unsearchable riches of Christ and the fellowship of the mystery, which is, non-Jewish people can be born again right along with the Jewish people. That is what was hidden in God from the foundation of the world. The Church Jesus said He would build, the body of Christ is made up of male and female, slave and free, and Jewish and non-Jewish and because we are "in" Christ there are no genealogies or pedigrees, there are no classifications of free or slave even male or female that would be of any importance. What was the reason all this was done? To show the devil and all his imps that it could be done!

**Through Christ all men could love one another and worship God and Him alone!** The intent was; that the Church might make the manifold wisdom of God known to the *principalities and powers* in the heavens. This was the eternal purpose of Jesus Christ our Lord. (Eph. 3) The apostle John knew this, that's why he believed it was so important that we know the simple way to recognize people that were of the Spirit of God: If they confessed Jesus The Christ came in the flesh, that Spirit is of God. If someone were to come and say that Jesus was not the Christ in the flesh that is of the spirit of anti-Christ and is not of our God.

After the Church begins to really believe and see that we do not wrestle against each other but against these principalities and powers, it will be then that they will see the manifold wisdom of God. And it will be through prayer and prayer by

His House! After taking all the armor of God's Word it is then we are told to pray always with all prayer and supplication in The Spirit, and watching thereunto with all perseverance and supplication for all saints; and as your praying, pray for me, that utterance will be given to me, that I may open my mouth boldly, to make known the mystery of the gospel, for which I am a representative sent to speak boldly as I ought to speak. (Eph. 6)

In Him for you,  
Jeff

## Dixie Boyd's Sausage

Ok, I promised I'd add good wholesome recipes in the newsletter and this is a "keeper". Dixie shared this sausage with us in Abilene and Tuscola and it's already our favorite. Mrs. Boyd made her sausage with exotic sheep, but said that she also used ground sirloin and it was just as tasty.

2 lbs. ground sirloin  
Tender Quick Salt 2 T.  
Garlic- California style coarsely ground/chopped  
Mustard seed- 1/3 of small package  
Crushed red pepper  
Onion flakes  
2 C. water split into cups  
Olive oil 1-2 tsp.  
1-2 T. liquid smoke depending upon your taste

Mix all ingredients. Roll in logs in Saran wrap. Makes four rolls. Allow to chill 24 hours in refrigerator.

Next day: Preheat oven to 300 degrees. Remove rolls from Saran wrap and place on a broiler pan with water under it. Cover each roll with cracked pepper or lemon pepper and cook for 2 hours. This can be cooled and wrapped in foil and frozen, served warm or chilled in the refrigerator and eaten with crackers!

## Working Out With Jeff

### Some Insight into the Parable of the Mustard Seed

Matt 17:18-20  
*And Jesus rebuked the devil; and he departed out of him: and the child was cured from that very hour.*

*Then came the disciples to Jesus apart, and said, why could not we cast him out? Jesus said unto them, Because of your unbelief: for verily I say unto you, if ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you.*

To understand any parable Jesus spoke, I believe we must go to The One that reveals all Truth that He spoke...especially the parables.

In Matthew 13:35 we are told that Jesus opened His mouth in parables to utter things that had been kept secret since before the foundation of the world. Why? The answer to why is found in John's Gospel chapter 16 verse 12-13; Jesus said to His disciples *"I have many things to say to you, but right now you can't bear them. Stick around though, because when The Holy Spirit of Truth comes, He will guide you into all Truth.* In John 14:26 It says basically the same thing, *"The Comforter, That Holy Ghost, whom when He comes He will teach you all things that I have said to you."*

We have many places in The Gospel accounts of what Jesus did and what he said, where he went and why he went there all of the whys and where's and how's are a direct response of obedience. The Father sent him to do something and to say something at a specific point in time and Jesus simply obeyed. He was listening for his Father's voice all the time. We can never go wrong when we do only what we believe our Father has said to do and say only what we believe he told us to say! That is faith at its lowest level of understanding. He speaks we obey.

What does this have to do with the parable of

the mustard seed? I'm glad you asked! The basic "secret" that has been hidden from the foundation of the world in this parable is not the size of the mustard seed. It is not the size of the plant that it brings forth after it is planted. Have any of you reading this article been out walking on your neighborhood sidewalk and seen a crack in the 3" to 4" thick concrete you're walking on with a little green weed poking through? Or on the street out in front of your house in the asphalt there is a bulge, an upheaval in one small spot with a little bitty green weed coming up through that 4" to 6" inch thick pavement? I have and I know all you have but have you ever given any thought to how in the world a little green weed can move all that out of the way to get to the sun? Ok then let's do just that.

You know in Mark 4:22-25 Jesus said to His disciples the amount of revelation that you receive about things hidden is totally dependent on the amount of thought and study you put into finding them. So if we believe that principle is working then we need to put some thought and study into finding what The Holy Spirit would reveal to us about something as simple as a grain of mustard seed, right? OK.

Look how simple the Truth hidden here is...many today are not seeing it because they use their mind in the matter instead of The Holy Spirit. What the Father wants all to see is that a mustard seed cannot help but do what it is designed to do; it can only bring forth mustard. You can't plant mustard seed hoping for apples because whether you like it or not you are going to get mustard. Mustard seed will bring forth mustard and nothing will stop it...except...showing someone you have a bunch of mustard seed in your pocket. Not planting it just showing everyone you have it. Mustard seed can't produce mustard unless it's planted just like all other seed on earth it all must be planted. But remember the thing that has been kept secret from the foundation of the world is the fact that it will do only what it was created to do. Jesus was telling His disciples, us, a person that will realize that the measure of faith God gave to all men that believe will do only what it was given to them to do! A mustard seed could care less if there was a mountain on top of where it was planted it just keeps moving forth until it comes into the light it knows it needs to bring forth a harvest for the one that planted it and anyone or anything else around that can benefit from it's fruit! Jesus said in Mark 11:22 *"Have the faith of God" "I say unto you,*

*that whosoever shall say unto this mountain, be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he says shall come to pass; he shall have whatsoever he says. Therefore I say unto you, whatever the things are that you desire, when ye pray, believe that ye receive them, and ye shall have them."*

Is there something in your life that appears to be in the way and the way it looks is that it is far too big for you to do anything about? Go to God's word in the matter, faith will come when you hear Him, then simply send it in the form of your words with your voice and watch it do what mustard seed does, move mountains to produce a harvest. Remember what Jesus said, "It's the Father He does the work" do you really believe there is a mountain too big for God to move with the measure of faith He gave to you? I didn't think so. See you next month Son of God!

Jeff
